TITLE: SYSTEM AND METHOD FOR CLIENT MASTERED REPLICATION OF
LOCAL FILES

Dear Examiner Ehichioya:

This is to notify you that on Friday, December 12, 2008 at 10:22:40, I electronically filed an Amendment After Allowance Pursuant to 37 CFR Section 1.312 and General Transmittal in the above matter, and inadvertently omitted Claim 60 from the Amendment 312. Accordingly, I am resubmitting these two documents for e-filing, with a revised 312 Amendment which includes Claim 60. Please disregard the prior filing under EFS ID #4443236.

Thank you for your consideration.

Sincerely,

/Kenneth R. Eiferman/
